

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Lamar Coleman v Oakland Circuit Judge**

Docket No. **268607**

L.C. No. **1988-085201-FC**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The complaint for superintending control is DISMISSED for lack of jurisdiction. Plaintiff has appealed the very issue raised in complaint in both his appeal of right in Docket No. 134361 and in his appeal in Docket No. 202409 from a 1997 order denying his motion for relief from judgment. Since plaintiff has already appealed the issue before this Court, he cannot use a complaint for this extraordinary writ as an attempt to circumvent the successive motion rule found at MCR 6.502(G), MCR 3.302(B), 3.302(D)(2), 7.203(C)(1), and 7.206.

The motion to waive the multiple copy requirement is DENIED as moot.
